

### Overview

Charitable Ventures is a nonprofit incubator and capacity builder promoting social change and positive impacts in our communities. Through our three core services – sponsorship, incubation and capacity building – we provide a supportive environment for nonprofits, test innovative ideas, and partner with leaders to effect long-lasting system change.

### Financial Overview

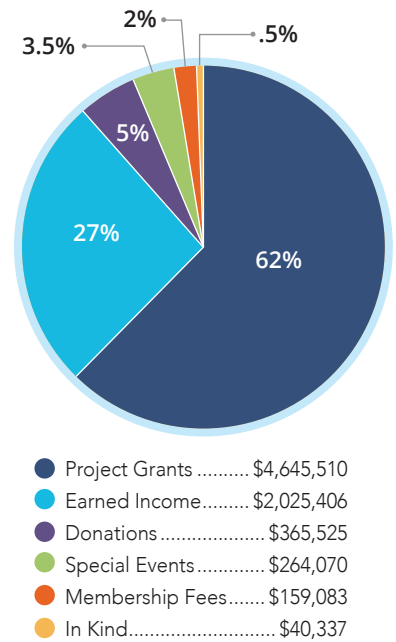

In 2018, Charitable Ventures saw significant year-over-year growth. At year's end, we held 27 fiscally sponsored projects in our incubator, employed more than 145 employees, and raised almost \$7.5 million in project funds.

#### Funds Raised: 2014-2018

Since 2007, Charitable Ventures has supported more than 60 projects and initiatives, who together have raised more than \$42,000,000 to bring social change and innovation to our communities.
