

# OC COMMUNITY Resilience Fund

Launched in March 2020, the Orange County Community Resilience Fund (OCCRF) is a partnership between St. Joseph Community Partnership Fund, the Orange County Community Foundation, Charitable Ventures, and OC Grantmakers, and was designed to rapidly respond to the immediate and lasting impacts of COVID-19 in the region.

## 4.74M

OCCRF readied to provide emergency grants to nonprofits impacted by COVID, and to nonprofits serving highly vulnerable individuals and distributed 4.74 Million dollars to 171 organizations thanks to the generosity of 43 foundations and over 200 individual donors.

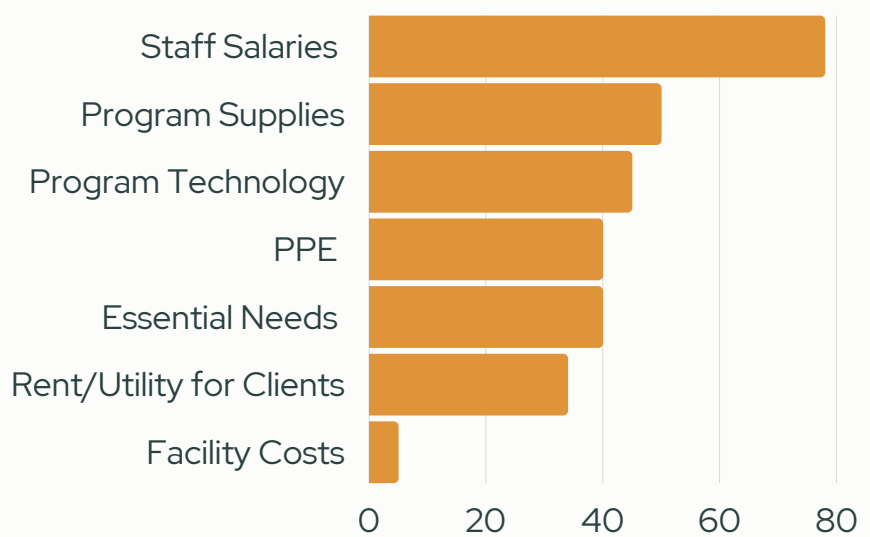

*“Your support was critical to our ability to safely design and implement several special programs to meet the changing needs of our families during the pandemic.”*

Areas of Support Needed

### Fund Allocation\*

\*Organizations could choose more than one option, so the percentages equal more than 100%.

**Through December, 100% of Grantees were still operating!**

## COMMUNITY VOICES

“

Through your support, we have provided diapers, infant and maternity clothing and basic needs, grocery gift cards, and intensive support to 50 mothers and babies who have been COVID-positive.

”  
With your support, we served over 7,000 meals to families in need in the first 10 weeks.

## THANK YOU TO OUR PARTNERS:

## 2020: A YEAR IN REVIEW

As we can see the end of the pandemic nearing, OCCRF has had a profound impact in supporting our county's nonprofit organizations and communities.

OCCRF helped mitigate the worst impacts of the pandemic, and our work is not over. We will stay engaged to support communities on the edge of survival and support efforts to ensure vaccine distribution focuses on our hardest-hit communities first. As the pandemic comes to a close, we must turn our attention to rebuilding our communities and addressing inequities in all their forms. Our county and community can emerge from these difficult times even stronger than before, and OCCRF looks forward to being part of that process.

“

These funds are literally putting food on our students' table and a roof over their head.

”  
We were able to provide 37 of our clients with emergency assistance that was critical at the time. All had lost jobs or had reduced hours and had not yet received unemployment benefits so they were in great distress

“

We are grateful for the support received from the OC Community Resilience Fund grant. Without this funding we would have been unable to pivot the way we have.
