

MENTAL HEALTH CLINICIAN JOB ANNOUNCEMENT

TITLE	Mental Health Clinician – Thrive Together OC
FLSA STATUS	Non-Exempt
PAY CLASS	Part-Time or Full-Time
REPORTS TO	Senior Operations Manager
LOCATION	In person, with occasional remote components 12431 Lewis Street, Garden Grove, CA 92840

Who is Charitable Ventures and who is Thrive Together OC?

Charitable Ventures was created to make sure nonprofits are resilient, effective, and empowered so they can serve their communities when they are needed most. Aiming to make our community more socially, racially, and economically just, our employees guide and design strategies to effectively address those needs.

In partnership with families, clients, and other community stakeholders, the Thrive Together OC will establish a state-of-the-art, inclusive, county-wide center that offers screening, outreach, consultation and training, and assessment towards the prevention of, and care for, concerns related to early psychosis spectrum disorders for youth and young adults of Orange County (OC).

Do you have a passion for impacting your community by providing life-changing support to youth and young adults with early psychosis spectrum disorders?

If so, your passions align with the Charitable Ventures/TTOC mission!

What are we looking for in our next team member?

Answer the questions below to see if you may be our new team member!

Are you ready to:

- Complete screening, psychosocial evaluations, reports, and feedback sessions for youth and families?
- Aid in effective training, outreach, and consultation strategies to extend the reach of TTOC?
- Work with an innovative leadership team to generate change in your community?
- Positively impact the lives of the people you support?
- Support the critical work of the social sector?

If you answered yes to any of the questions above, your next career may be waiting for you at Charitable Ventures! And we would love to explore it with you.

Job Summary

The primary role of the Mental Health Clinician is to implement and/or oversee the screening and intake process and perform primary psychosis assessments, diagnostic evaluations and psychosocial or cognitive assessments of program clients. The incumbent will prepare written reports of the evaluation and provide feedback to the client, client's family, and client's providers, under the supervision of a licensed clinician. The Mental Health Clinician may also be responsible for providing clinical interventions when appropriate, drafting training and outreach materials, participating in consultation sessions with other providers and/or families, preparing reporting materials, and assisting with administrative tasks as needed by the program.

What are the desired qualifications?

Education:

- Required – Master's in Marriage Family Counseling or Social Work and eligible for clinical licensure
- Preferred – Additional graduate-level coursework in psychological assessment

Experience:

- Required – Two years' experience in the mental health field
- Preferred – Knowledge of Orange County mental health services and experience assessing youth and young adults for mental health concerns, psychosis spectrum experience desired

- Provide clinical interventions and crisis management as clinically indicated and when appropriate
- Write assessment reports
- Attend clinical and peer supervision for assessment components
- Provide feedback and consultation to clients, families, and providers
- Maintain documentation of clinical services
- Assist in scheduling of clinical services

Training, outreach, Community Outreach

- *Assist in training, outreach, and consultation*

- Assist with trainings related to clinical high risk for psychosis, first episode psychosis, and other content areas, as appropriate to clinicians' expertise
- Assist with community outreach
- Assist with consultation sessions, as appropriate to clinicians' expertise
- Attend training session for staff, when available

Compensation

Commensurate with experience, education, and market the range for this position is \$36.05-\$43.26 per hour.

Benefits

- Full-time employees (30 or more hours per week): health insurance (medical, dental, vision); paid time off; company-wide holidays. 401(k) voluntary employee contribution
- 401(k) voluntary employee contribution
- **But the most rewarding benefit is your ability to contribute to building stronger communities!**

Applications: Please send your cover letter and resume to recruiting@thrivetgetheroc.org.

Is this job not a right fit for you? Maybe it is for a colleague, friend, or neighbor. Please refer anyone that may be a good fit! And check back for other postings as you may become a team member through *your* unique skills and experiences!

Company Summary

Launched in 2007, Charitable Ventures is a non-profit organization dedicated to creating positive social impact through transformative ideas and investments. The agency provides incubation, sponsorship, and capacity building services such as planning, facilitation, and evaluation for funders, non-profit organizations, government, and community leaders throughout California.

Charitable Ventures maximizes the impact of emerging and established nonprofits, as well as donors and foundations with a passion for change – and is considered an essential part of the nonprofit sector infrastructure in Southern California. Since inception, it has fiscally sponsored more than 60 projects that address a wide array of social issues.

Charitable Ventures is committed to the principle of equal employment opportunity. In all that we do, Charitable Ventures supports its clients, projects, staff and partners through our commitment to equity, economic and social justice, diversity and inclusion, and in ways that uplift our communities' assets and potential.
